  C: Clerk's Report

1. Apologies:
   None received. Apologies subsequently received from Councillor Sue Cornell.

2. Declarations of Interest:
   There were no Declarations of Interest.

3. To receive Reports from the District & County Councillors:
   3.1 Cllr Brian Harvey, Forest Heath District Council
   Important meetings taking place this week include an Emergency Planning Meeting to discuss the flooding issues this country has seen recently. The Town and Parish Forum meeting is taking place this week also. The Neighbourhood watch scheme is running well in Wolrington and we are trying to get one up and running in Freckenham too.
   3.2 Cllr James Waters, Suffolk County Council
   The MOD gave an update on the closure of RAF Mildenhall today – it is going to be used for housing. Planning a meeting with RAF Alconbury & RAF Molesworth together with Ministers shortly. Will now be able to get the infrastructure sorted for jobs etc. This should be seen as a massive opportunity, not just for Mildenhall area, but for the whole of West Suffolk.

4. Minutes:
   The minutes of the last meeting held on 16 November 2015 were confirmed as a correct record and signed by the Chairman.

5. Matters Arising not covered in Agenda:
   There were no matters arising.

6. Planning:
   6.1 (a) re-submission (of previous application DC/14/2364/FLU) – change of use of land to a residential caravan park for 4 no. mobile homes, 6 no. caravans and 4 no. day rooms. Application No. DC/15/2215/FLU. Residential Caravan Park, Elms Road, Red Lodge.
   The Chairman opened up the meeting to members of the public who were in attendance to air their views on the above planning application. There followed a discussion and the main objections to the application were 1) over development of site, 2) concern over the amount of caravans, 3) concern over this being written into the local plan. Cllr. Brian Harvey recommended that residents put forward their objections on the Planning website, but these must be specific and relate to the law. In order for him to take part in the debate on the Planning Committee at FHDC, he was unable to comment on any aspect of
the planning application.

The meeting then resumed. Councillors debated the application and it was resolved the Clerk would send through objections on the grounds of over development of the site with the comments from the previous application being restated.

5 members of the public then duly left the meeting.

(b) Trees in a Conservation Area Notification – T1 Ash – Application No. DC/15/2521/TCA. The Old Rectory, Church Lane, Freckenham IP28 8IF.

This has already been dealt with – no comments sent.

(c) Construction of a stable barn with 7no. bays, equine exercise area & new parking area. Application No. DC/15/2493/TUL. Woodland House, Elms Road, Freckenham IP28 8IG. Councillors discussed this application and it was resolved the Clerk would respond with ‘no objections’.

6.2 To note applications determined:

(a) Trees in a Conservation Area Notification – Selbourne House, Church Lane, Freckenham IP28 8IF. Application No. DC/15/2193/TCA. Decision: No objections.

6.3 Nothing further to note on the Single Issue Review (SIR) of Core Strategy Policy CS7 and Site Allocations Local Plan.

7. Highways:

7.1 Nothing further to report. Still awaiting Guy Smith to come back to the Chairman regarding the flooding on Mildenhall Road (left hand side).

Cllr Wheeler

8. Recreation Ground & other Assets:

8.1 Have reports that a lot of people have been using the equipment which is good to hear. There are still a couple of repairs to be done which Cllr Barton is aware of.

Bag of gravel left behind from the builders - needs to be moved away but kept to use on the path in case the path needs repairing.

A member of the public mentioned it would be nice to have the path floodlit, especially for winter and suggested that just one lamp in the corner behind the houses on Lee Brook Close would be required to light the area.

Decision: it was decided to put a note in the next Parish Pump mentioning that it could be floodlit.

Also suggested a hand rail is required for the footpath to the Recreation Ground from The Street and Cllr Barton to look at obtaining a quotation for this. There is a possibility it can be purchased from the District Council’s Localities Budget.

Another member of the public mentioned that the public footpath (the circular footpath) is very uneven and dangerous to walk on. County Council have already agreed to cut it three times a year rather than two. Cllr Barton to have a look at it and report back to Cllr James Waters.

Cllr Barton

9. SLC:

9.1 The next meeting is to be held on Tuesday 8 March with the venue still to be confirmed.

10. Financial Matters

10.1 Approval was given to the following payments:

(a) The Clerk’s quarterly salary: £750.40 Cheque no. 866

(b) G.C. Sore for work carried out to the Bus Shelter & Recreation Ground: £396.81 Cheque no. 867

10.3. Bad Debts. The Clerk reported that the two bad debts have both paid up following a number of telephone calls and the letters sent out in December.

11. Working Groups Report
11.1. Right of Way Improvement.

Cllr. Barton to walk the circular path to check it is safe. As mentioned earlier hand rail quotation to be obtained for the Recreation Ground and sent to Brian Harvey, FHDC Councillor to see if the money can be provided from the Locality Budget.

11.2. Risk Assessment – Final report at the next meeting – Chairman to update.

11.3. Standing Orders – The Clerk asked Members if they would accept the Agenda and associated papers by email and all agreed with the exception of Cllr. Cornell who was absent. Therefore Decision: update the Standing Orders to include email and also adopt the latest version from SALC (May 2014).

Cllr. Barton
Cllr. Wheeler
Clerk / Cllr. Wheeler

12. Clerk’s Report

This was circulated and discussed. See Appendix C attached.

The Chairman also reported the following whilst discussing street lighting: G39 lighting - when the light goes out on these lamps, due to health and safety these cannot be repaired without the electricity cables being switched off! One of the bulbs has been out since February 2015 (lamp 7, corner of North Street). Freckenham will be the first village to have the bulbs replaced and the intention is to start it this week! Any other lights that are not working, please let the Chairman have the details so that we can report back to the Suffolk County Council. The three lights that are currently not working are: Lamp 7 – corner of North Street – actually opp Freckenham House, Lamp 28 – corner of Mortimer Lane & The Street and Lamp 29 – The Driftway.

13. BT Telephone Box Procurement

Cllr. Barton reported that it is £1 to adopt the telephone kiosk. BT will pay for the electricity in it i.e. A light bulb. The pay phone has not been used for over two years. If it is approved, the service will be taken away and the Parish Council can adopt it. Then it can be painted & filled with books or anything else appropriate.

Decision: It was resolved to make an application to BT & adopt the kiosk.

Cllr. Barton
14. **Queen’s 90th Birthday Celebrations** - weekend of 11/12/ June 2016
   This was discussed previously and it was decided that the Parish should come together to arrange any celebrations. A small working group of six to be set up with two from the Parish Council, two from the Village Hall Committee and two representing the Church. Cllr. Pearson has been nominated for the Village Hall and Cllr. Burton will represent the Church. Cllr. Gibbs put himself forward as did Cllr. Wheeler on behalf of the Parish Council, - two more people are required. Nicholas Woolley has pencilled the date in his diary for a possible garden party in his grounds.

15. **Correspondence Received**
   Brian Harvey, FHDC Councillor, reported the Police & Crime Commissioner has brought out a public consultation. Five minute survey, on whether the precept for Suffolk Police should be increased. The village has the opportunity to respond to this, but it is of a short time frame - deadline is 28 January 2016. The Police are unfortunately no longer attending our meetings. Also the Neighbourhood Watch alert system emails are coming to the Clerk via Brian Harvey. The Clerk is forwarding them on to all Councillors.
